Shay Chamilevsky

0545302983 • shay284@gmail.com • LinkedIn • Portfolio

High-achieving Information Science & Communication graduate (GPA 94.35) with a strong analytical foundation, technical fluency, and hands-on product execution experience. Proven ability to translate complex business and user requirements into scalable digital workflows, conduct deep qualitative and quantitative research, and drive cross-functional collaboration in fast-paced operational environments.

Skills

- Product: Product Strategy, Roadmap Planning, PRD, UX/UI Design (Figma).
- Technical: Python, HTML/CSS, JavaScript.
- Soft Skills: Cross-functional collaboration, Stakeholder management.
- Languages: Hebrew (Native), English (Working Proficiency)

EDUCATION

Bachelor of Arts Degree: Communication and Information Science, Bar-Ilan University (GPA 94.35) | 2023 – Expected to graduate in 2026

- Product Management Honors Program: Selected for elite program (partnering with leading tech firms) focusing on end-to-end product lifecycle, strategy, and data-driven decision-making.
- Relevant Coursework: Human-Computer Interaction (HCI), Client-Side Web Programming (HTML/CSS/JS).
- Certifications: LinkedIn Learning Path: CSS (26 hours).

WORK EXPERIENCE

Product Management Intern | ARROWS (Startup) | July 2026 – October 2026

- **Onboarding & UX:** Redesigned the onboarding funnel to eliminate drop-off points, streamlining entry flows for beta users.
- **Beta Testing & User Research:** Moderated real-time user observation sessions to identify usability bottlenecks, track UX bugs, and refine feature requests.
- **Execution & Stakeholders:** Partnered daily with CEO/CTO and dev team to prioritize sprint items; represented product at "Hackautism" Conference for investor relations and tester acquisition.

Teaching Fellow & Co-Instructor | "MeAni" Program (Bar-Ilan & SHEKEL) | December 2025 – July 2026

- Co-led technical workshops and frontal lectures on Digital Literacy, adapting complex software concepts into step-by-step, highly organized workflows for students with diverse cognitive needs.

Public Relations Intern | Wolf Communications PR Office | November 2024 – February 2025

- Mastered strategic communication and crafted targeted digital content to align brand messaging with market trends and diverse stakeholder needs.

MILITARY SERVICE

Intelligence Researcher & Junior Commander | 36th Division | 2020 – 2022

- Conducted in-depth data analysis and intelligence research to deliver actionable insights, supporting critical operational decision-making for senior commanders.
- Designed training methodologies and commanded a team of 4 soldiers, fostering creative problem-solving in high-pressure operational contexts.
